

# THREDGE

## BIO

**Genre:** Metal/Rock

**Location:** Los Angeles, CA

Thredge is a dynamic and immersive musical experience, blending an eclectic range of influences into their core sound. Rooted in metal, their music goes far beyond the boundaries of the genre, incorporating shades of rock, blues, jazz, folk, and other unexpected styles.

Their recently released and highly anticipated second album, *Dreams and Nightmares*, showcases Thredge's evolved sound, combining their signature intensity with newfound creative nuances. *Dreams and Nightmares* was entirely written by the band and produced by Mikal Blue, a Grammy Award-winning and multi-platinum music producer, songwriter, engineer, and mixer. Blue's mastery in blending genres and capturing powerful emotions shines throughout the record, elevating the album's intricate layers and giving it an edge that pushes the boundaries of modern metal music.
